

Baby Shower Mad Libs

By: on

As _____'s due date approached, she could feel herself becoming more and more _____. There was so much that still had to be done! The best part of preparing for the new baby was decorating the _____. She could picture it perfectly: Colorful _____ hanging from the ceiling, a _____ set up in the corner, and of course, plenty of _____. She knew just how important it was to stock up on those!

One day, right after she returned from the _____ where she was buying more _____, she felt a sudden pain near her _____. It must be time! She immediately contacted _____, then sat down to wait for a ride to _____. To calm her nerves while she waited, she indulged herself in a bit of _____.

Soon, _____ arrived and they were off! So excited were they to get there quickly that he stuck his _____ out of the car window and waved it the entire way! The effort worked - surprised drivers got out of their way and the two arrived at _____ in record time.

Upon arrival, she was so ready to deliver that she couldn't even _____ - her contractions were that strong already! To make her feel better, _____ spent a few minutes _____ but the distraction wasn't enough. After _____ minutes of waiting, she was whisked away to _____ and prepared for delivery.

The _____ arrived in the nick of time - whenever she _____, you could practically see the baby's _____! Already _____ centimeters dilated, the _____ suggested that she try _____ a few times. Thankfully, she was able to focus enough to successfully _____ and soon you could see little _____ peeking out! After only _____ more pushes, the baby was born.

A chorus of loud _____ was heard throughout the maternity ward. Little _____ was perfect! He/she weighed _____ pounds and _____ ounces, and measured _____ inches long. What's more, the little one even had _____! The baby was checked and gently wrapped in a _____, then given to the beaming mommy to admire.
